Adding and Changing Courses

uc.umb.edu/moreinfo/registration/add_drop/

Students may add or change courses via WISER or in person on or before January 9. To add or change a course in person, by mail or by fax, use a Change of Registration Form (available by download or from the One Stop). If a student wishes to register for or add a course after the first class meeting, a Registration Form/Change of Registration Form must be signed by the instructor(s) of the course(s) added, and returned to the One Stop before the add/change deadline.

Dropping Courses

Students may drop courses via WISER or in person on or before January 9. Students who drop courses on or before the Drop deadline will be removed from class rosters, and the course will not appear on their transcripts. A course dropped after the Drop deadline will be treated as a withdrawal, and a "W" will be recorded as a grade for the course, unless another course is added at the same time. During this period, students must get assistance to swap classes since self-service is not available.

Withdrawing from Courses

A student who withdraws after the drop deadline will receive a grade of "W" for that course. Withdrawal forms are available at the One Stop Student Service Center; students may also withdraw from a course using the WISER self-service system (wiser.umb.edu). Failure to submit a withdrawal form before 6:00pm on the last day of the withdrawal period will result in a grade of "F." A student withdrawing from a course does not receive a refund.

Refunds

A student who drops a winter course will be granted a refund according to the Academic Calendar, left. Non-attendance does not constitute dropping a course. Students may either file a Change of Registration/Refund Request Form at the One Stop Student Service Center or drop the course online at wiser.umb.edu.

No refunds will be given for courses dropped after Jan. 9.

Note: If your University account has a balance, your refund will be applied to this balance until it is paid in full.
